Collage and traditional art

A collage illustration that didn't turn out well + free time in Procreate

Como en tantas y tantas de sus pesadillas, empezó a huir, despavorido. Las botas de sus perseguidores sonaban y resonaban sobre las hojas secas. Las omnipotentes zancadas se acercaban a un ritmo enloquecido y enloquecedor.

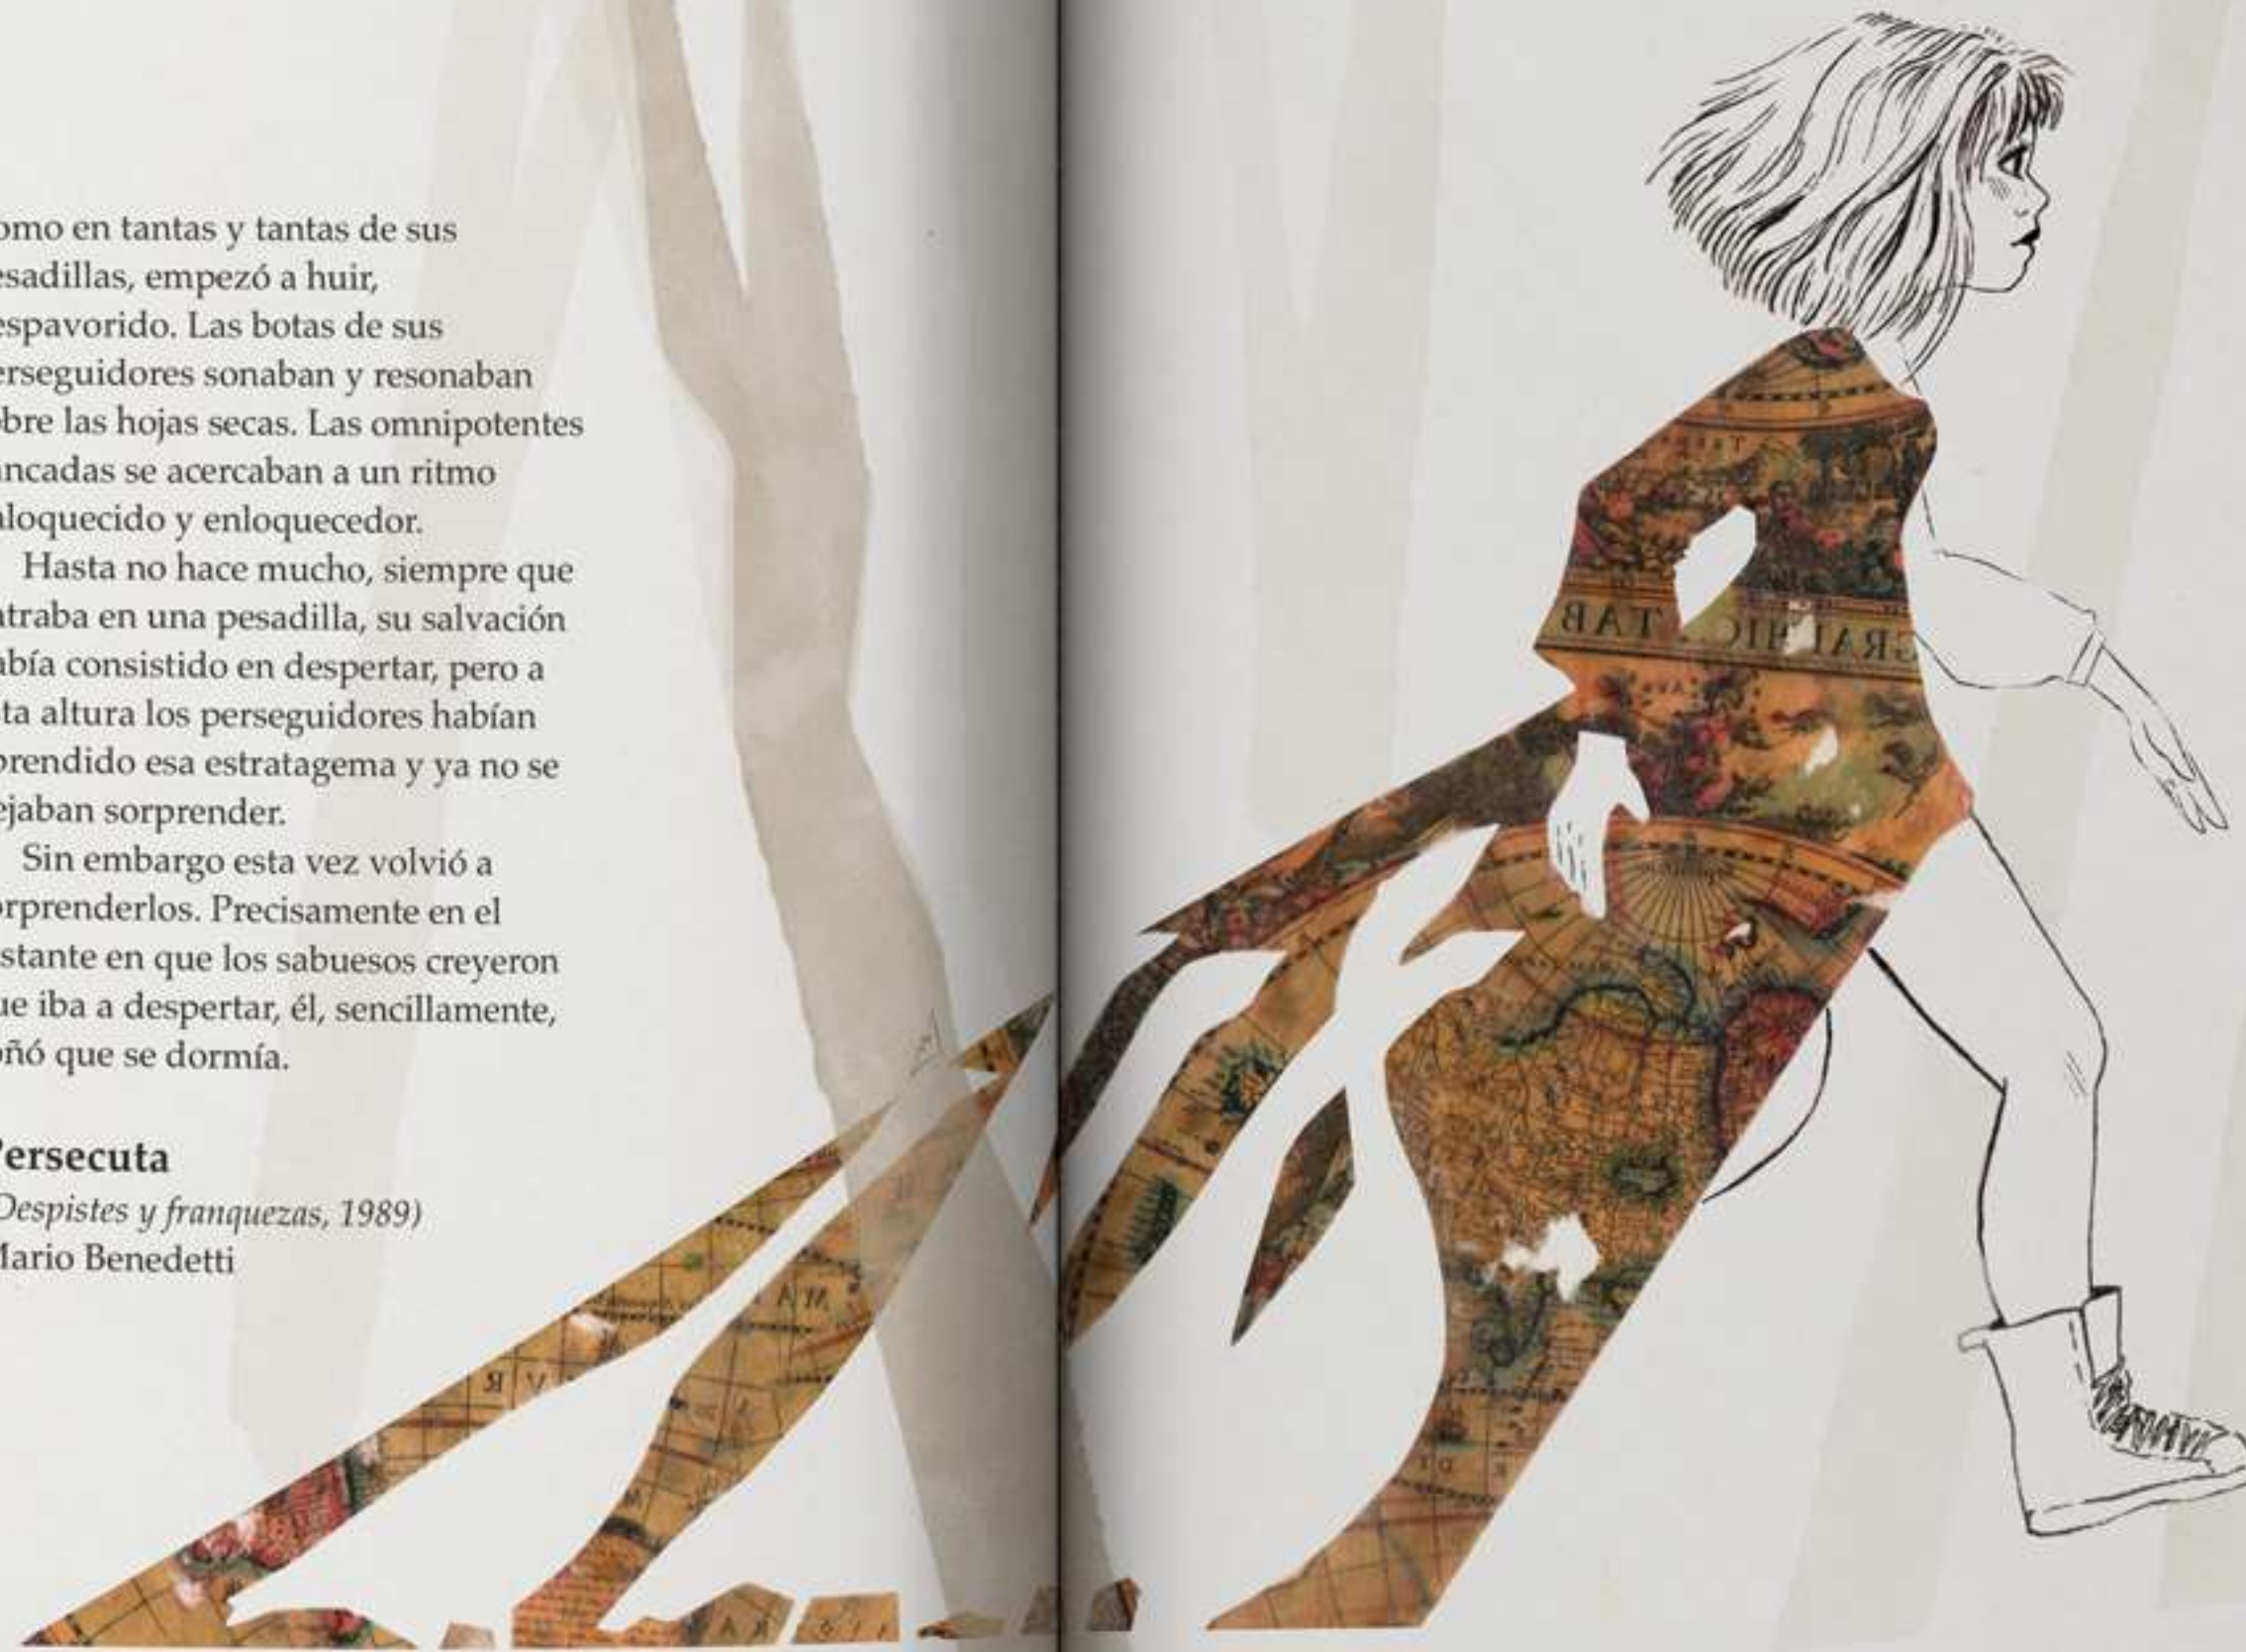

Hasta no hace mucho, siempre que entraba en una pesadilla, su salvación había consistido en despertar, pero a esta altura los perseguidores habían aprendido esa estratagema y ya no se dejaban sorprender.

Sin embargo esta vez volvió a sorprenderlos. Precisamente en el instante en que los sabuesos creyeron que iba a despertar, él, sencillamente, soñó que se dormía.
